

BUNDABERG RACE CLUB INC – WET WEATHER POLICY

The race day will proceed as scheduled in the event of wet weather.

If the track becomes too wet and is deemed unsafe, local races may be **abandoned**, and a '**phantom meeting**' will be conducted instead.

This means:

- ✓ The **venue will remain open**, including **bar, canteen, and wagering services**.
- ✓ You can still enjoy all the SKY racing action from other meetings around the country.
- ✗ No local races will be run.

Please note:

- All **marquee functions** and **private bookings** will proceed as planned.
- Any scheduled **Fashions on the Field** competitions will also proceed; however, they may be moved to an undercover area if required.
- **No refunds** will be issued for pre-purchased tickets or private bookings.
- **Gate pricing remains unchanged** to cover event costs and operating facilities.

Track safety decisions are made on the **morning of race day** and are reassessed throughout the day as required.
